## Conclusion

For all of the above reasons, applicant(s) submit that the specification and claims are now in proper form, and that the claims all define patentably over the prior art. Therefore applicant submits that this application is now in condition for allowance, which action they respectfully solicit.

### **Conditional Request For Constructive Assistance**

Applicant(s) have amended the claims of this application so that they are proper, definite, and define novel structure, which is also unobvious. If for any reason this application is not believed to be in full condition for allowance, applicants respectfully request the constructive assistance and suggestions of the Examiner pursuant to M.P.E.P. 2173.02 and 707.07 (j) in order that the undersigned can place this application in allowable condition as soon as possible and without the need for further proceedings.

Very respectfully,

Michael F. Durina
